

HOLBROOK COMMUNITY PRE-SCHOOL

NEWSLETTER April 2021

Welcome Back!

I hope you had a wonderful Easter! Hopefully you all had a good break and enjoyed being able to see some friends and family again.

The holidays were a very exciting time for the older children as they have now received their school placements for September.

Thank you to everyone for the fantastic response to our Easter hat competition! The children did a fabulous job and it was wonderful to be able to raise £155, which is much needed for our Pre-School.

We are now looking forward to the warm weather, more restrictions being lifted and being able to organise some events over the coming months - a photographer to come and take individual photos of the children and an end of year afternoon tea or Summer Fayre are being planned, guidelines allowing!

Your support is, as ever very much appreciated!

Warm regards

Natalie, Chairperson

Nut Allergy

Our pre-school is a nut free environment.

We therefore ask you to check all food and drink products being brought in to setting. Anything that contains nut products (or states on the packaging 'may contain traces of nut') should not be sent in.

Thank you for helping us make pre-school a safe environment for all of us
