

# HOLBROOK COMMUNITY PRE-SCHOOL

## NEWSLETTER NOVEMBER 2021

### Welcome Back!

Hello friends and family,

As we start another half term, we hope you enjoyed some time together last week.

We now look towards the end of year celebrations! For the first time in 2 years we are able to hold our Christmas Fayre on Friday 3<sup>rd</sup> December. With limited opportunities in the last 2 years to raise funds we really need a big push this year. Whilst this translates into a bit more pressure, we have high hopes and that starts with you - the children's family and friends.

We had a good turn out for our recent AGM, but there were some absentees. Going forward, we are asking you all to engage as much as you can in all our annual events.

As a charity, we depend on one another to ensure the success of our Pre-School, and most importantly - our children. Thank you so much for all your contributions! We can't emphasize enough just important they are to us.

This year, we are not just looking to raise funds, but we are asking you to help raise our profile so in turn raise our enrolments and raise morale. In turn we will pour our positive energy into the children and their environment.

As and when Covid guidelines ease, we can't wait to build on our relationship with you even more and to see parents and children engage more with each other, in the community spirit we all value.

Thanks and best wishes to you all.

Parent and Chairman
